Key Aims for Sport Premium Funding.

The Department for Education and the Education and Skills Funding agency state that:

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means they should use the premium to:

- Develop or add to the PE and sports activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Primary PE and Sport Premium key indicators of success:

1. The engagement of all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
