

Dear Parents and Carers
We hope you have all keeping well and have had a lovely summer.
Here is our curriculum map for our topic leading up to the half term break.

Best wishes
The Year 3 team

As Writers we can/we will...

Practice our writing skills using sentence structure and punctuation before looking at writing a narrative linked to a picture book about a natural disaster.

As Mathematicians we can/we will...

Learn about place value involving number up to 1,000.

Learn about addition and subtraction involving numbers up to 1,000.

Practise times tables.

As Athletes we can/we will...

Be exploring the games skills needed in hockey and cementing in further skills learnt in gymnastics.

Big Question(s): What makes the Earth angry?

As Geographers we will...

Understand how and why volcanoes occur, what happens when they erupt and how this impacts on human beings and the environment.

In Religious Education...

Follow the Leicestershire agreed syllabus
'What is it like for someone to follow God?'

As Musicians we will...

Be looking at a song called Let your Spirit fly.

As Technicians we will be...

Learning how to become a programmer.

Sticky words for this half term:

explosive	eruption	dormant	extinct
igneous	sedimentary	devastation	tectonic
magma	evacuation	lava	metamorphic

As Scientists we will...

Understand what rocks tell us about how the world was formed.

Consider different types of rock and where they have come from.

In PSHE we will...

Understand what it is like 'Being me in my world'

As Designers/Artists we will...

Look at drawing techniques.
