

Pink Seahorses

Dear Parents and Carers

Welcome back to school, we hope you all enjoyed the half term holiday.

Here is our curriculum map for our topic leading up to the end of the summer term.

We are looking forward to lots of fun and exciting activities.

Best wishes

The Pink Seahorses team

As Mathematicians.....

We will be learning about geometry; position, direction and movement including turns. We will develop our place value knowledge within 100 including partitioning, comparing and ordering numbers and values.

We will begin to explore money by recognising and counting coins and finally we will introduce the concept of time.

In speech, language and communication...

We will be exploring and developing our expressive and receptive language skills through topic based activities and games.

As Athletes we can/ we will...

Explore and develop our movement and fundamental physical skills through athletics and gymnastic skills.

As scientists and historians we will...

Be learning about animals including humans. We will identify and name a variety of animals, we will describe and compare their structure and features and label their body parts. We will learn how these have changed over time.

Big Question(s):

Did the dinosaur eat a biscuit?

As Writers and readers we will...

Be learning how to listen to and enjoy a range of books and stories by exploring fictional and non-fictional texts relating to our topic. We will be learning new vocabulary and using this vocabulary in our work throughout the term. We will be creating non-chronological reports and exploring narratives. We will be continuing to learn how to link our thoughts to our writing/mark making.

As Musicians we can/we will...

be following the Charanga programme and exploring how to reflect, rewind and replay!

As Computer technicians we will...

Be learning about e-safety and how to research and capture information by using computers and iPads to support our learning about our Big Question.

In Life skills.....

We will be continuing our learning all about Relationships.

Sticky words for this half term:

Animal, human, mammal, reptile, diet, features

In Religious Education...

We will learn about different celebrations and festivals throughout the year, how and why we celebrate them.

In PSHE...

We will be following the Jigsaw curriculum and learning about Changing me.

In Art and Design we will...

Be exploring seasonal crafts.

We will be doing this by using objects from nature to create spring suncatchers, summer salt paintings. We will also be exploring the works of artists on display at the National Gallery.
