

Dear parents and carers,

We hope that you have had an enjoyable summer break and the children are all set for a brand new term.

Here is our curriculum map for our topic leading up to the half term break

Best wishes,
The year 4 team.

As writer we will....learn how to write a diary.

We will learn how to write instructions.

As Mathematicians we will...learn about place value with numbers up to 10,000.
Practice our times tables

Big Question(s).

How can we rediscover Ancient Egypt?

How can you hear with your ear?

As Historians we will...

Understand where Ancient Egypt fits on a timeline

Identify the differences between Pharaohs and civilians

Compare life for children in Ancient Egypt and modern society

Learn about the significance of artefacts when being historians

As athletes will... explore basketball and Gymnastics.

As Artists and designers we will... explore Egyptian themed projects.

In PSHE we will...understand what it is like "being me in my world"

As Technicians we will...Learn about collaborative working on a document.

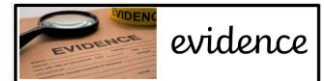

As Musicians we will... learn to improvise and perform a song.

In French we will...learn the alphabet

As scientists we will..

Learn about how sounds are made, name parts of the ear and explain how sounds travel.
