

Dear Parents and Carers,

We hope you had a lovely half-term break and are ready to go for our final term together as Year 5!

Best wishes,
The Year 5 team

Big Question:
What happens when you use the wrong materials?

As Mathematicians we will...

Continue with position and direction and then cover statistics.

Sticky words for this half term:
Dissolve, soluble, insoluble, solution, filtering, reversible, irreversible, magnetic, insulator, opaque, transparent, sieve,

As Artists/Designers we will...

Use cooking to explore reversible changes.

As Athletes we will...

Cover cricket and athletics

In PSHE...

Explore changing me.

As Technicians we will...

become coders with Micro:bits

In Religious Education we will ask...
What would Jesus do (can we live by the values of Jesus in the 21st century)?

As Writers we will...

Be creating setting descriptions
And composing a piece of suspenseful writing

As Scientists we will...

Be looking at properties of materials, including solids, liquids and gasses.

We will be exploring reversible changes. We will also consider the importance of evidence, comparative and fair testing.
