

Dear Parents and Carers,

We hope you have all had a lovely Christmas break and the children are ready for a busy half term ahead. Here is our curriculum map for our Big Question leading up to half term. Updates will be given throughout the term on Weduc.

Best wishes The Year 1 team 

As Readers & Writers we will...

Be reading our class book – There's a tiger in the garden. We will be reading a range of texts and we will be answering comprehension questions. As writers, we will innovate a story and use conjunctions and a range of punctuation in our writing.

As Mathematicians we will...

Be exploring numbers within 20.

We will also be adding and subtracting within 20.

We will look at measure and mass.

As Scientists we will...

Be looking at animals including humans, classifying species and exploring the season Spring.

Big Question: Where would you rather live England or India?

As Geographers we will be learning about...

England and India and comparing them by looking at the weather, landscapes, wildlife and culture.

As Athletes we will...

Be developing our games skills such as catching throwing and rolling as well as having competitions with our friends in Basketball games. We will use a combination of travelling movements, jumps and balances in Dance.

As Musicians we will...

Focusing on the song "In the Groove" by Joanna Mangona. We will be looking at pulse and performing the song.

As Artists we will...

Be painting with mixed media and will be learning about primary and secondary colours. We will be printing and linking this to our big question.

Sticky words for this term:

landmark temperature compare weather prey
landscape carnivore herbivore omnivore predator

In Religious Education we will...

Be exploring our RE big question:

Who do Christians say made the world?

In PSHE...

We will be exploring the topic "Dreams and Goals".

Our British Value focus is...

Individual Liberty

Children will learn what this means and will discuss this during safer internet day.

As Technicians we will...

Be learning how to stay safe online.

We are also learning how to log on and off a computer and develop our mouse skills.
