

Dear Parents and Carers,
We hope you have all had a lovely half term and managed to relax! We look forward to starting Autumn 2 and the run up to Christmas! Here is our curriculum map for our topics leading up to the Christmas holidays.

Best wishes
Mrs Oliver, Mrs Morris and Mrs Appleyard.

As Readers & Writers we will...

In reading and writing we will be focusing on the narrative 'The True Story Of The 3 Little Pigs'. Using this text, we will be innovating our own stories. We will use text mapping to learn the story.

Later in the term, we will be writing a chronological report about the Great Fire of London.

As Mathematicians we will be starting our topic on addition and subtraction:

- Learning how add and subtract in a column.
- Exchanging and borrowing.
- Place value

As Scientists we will...

- Exploring and grouping different materials
- Identifying objects and their materials
- Identifying the suitability of an object and their material

Big Question(s): Could a dragon have started the Great Fire of London? (History)

Why have building materials changed over time? (Science)

In history we will be learning...

About how the Great Fire of London started, how fire regulation has been impacted today because of this and what life was like in 1666.

As Athletes we will...

Continuing with our games and gymnastics units. We will be learning how to throw and kick a ball within a game setting using tactical skills.

As Musicians we will...

Focusing on the unit 'HO HO HO' in preparation for our festive season. We will also be practising for our Christmas performance.

Sticky words for this term:

demolish structure catastrophe flammable
suitability absorbent durability properties

In Religious Education we will...

Be answering the Big Question – 'Who is a Muslim and how do they live?' The children will look at the Prophet Muhammed and objects that are sacred to Muslims.

In PSHE...

We will be focusing on 'How to listen to other people and contribute their own ideas about rewards and consequences', 'What makes a good friend' and 'To know I belong'.

Our British Value focus is...

Mutual Respect

Children will learn what this means and how to be tolerant of others.

In Design and Technology we will be...

Using our topic of the Great Fire of London to design, build and evaluate houses based on structures from 1666.

As Technicians we will...

Be learning about how computers work, including understanding inputs and outputs, as well as the functions of a range of devices.
