

## Pink Seahorses

Dear Parents and Carers

Welcome back to school, we hope you all enjoyed your half term holidays!

Here is our curriculum map for our topic leading up to the end of the spring term.

We are looking forward to working together and enjoying lots of fun and exciting activities together!

Best wishes

The Pink Seahorses team

### As Mathematicians.....

We will be continuing to learn about numbers, place value within 100. We will be completing addition and subtraction and multiplication and division operations within these numbers.

### In speech, language and communication...

We will be exploring and developing our expressive and receptive language skills through topic based activities and games.

### As Athletes we can/ we will...

Explore and develop our movement and fundamental physical skills through gymnastics skills.

### As scientists and historians we will...

Be learning about animals including their habitats, what they eat and their life cycles. We will also be learning about different minibeasts - invertebrates and vertebrates and the process of metamorphosis.

Big Question(s):

**Are all minibeasts scary?**

### As Writers and readers we will...

Be learning how to listen to and enjoy a range of books and stories by exploring fictional and non-fictional texts relating to our topic. We will be learning new vocabulary and using this vocabulary in our work throughout the term. We will be re-telling and exploring different narratives. We will be learning how to link our thoughts to our writing/mark making.

### As Musicians we can/we will...

be following the Charanga programme and exploring the Our World topic!

### As Computer technicians we will...

Be learning about e-safety and how to use and operate technology by using computers and iPads to support our learning about our Big Question.

### In Life skills.....

We will be learning all about health and wellbeing and who we can ask for help.

Sticky words for this half term:

**Invertebrates, vertebrates, larvae, metamorphosis**

### In Religious Education...

We will be continuing to learn about what are different celebrations and what we celebrate including Easter.

### In PSHE...

We will be following the Jigsaw curriculum and learning about healthy me.

### In Art and Design we will...

Be developing our skills in paper based sculpture and 3D art. We will be creating structures and applying painting skills in three-dimensional art, enhancing their understanding of form and construction.
