

Pink Seahorses

Dear Parents and Carers
Welcome back to school, we hope you all enjoyed your half term holidays!
Here is our curriculum map for our topic leading up to the end of next term and the end of the school year!
We would like to thank you all for the support over the last year.
Best wishes
The Pink Seahorses team

As Mathematicians.....

We will be learning about mass, volume, position and direction. We will be using our place value and number knowledge to support us with our work on measurement and begin exploring multiplication and division.

In speech, language and communication...

We will be exploring and developing our expressive and receptive language skills through topic based activities and games.

As historians we will...

Be learning about the past, events beyond living memory. We will be exploring legends and fictional and traditional stories and historical events.

As Athletes we can/ we will...

Explore and develop our movement and fundamental physical skills through athletics.

As Computer technicians we will...

Be learning about e-safety and how to use and operate technology by using computers and iPads to support our learning about our Big Question.

In Life skills.....

We will be developing our independence skills and learning about relationships.

Big Question(s):

Was Robin Hood good or bad?

As Writers and readers we will...

Be learning how to listen to and enjoy a range of books and stories relating to our topic. This term we will be focussing on traditional tales. We will be learning new vocabulary and using this vocabulary in our work throughout the term. We will be re-telling and exploring different narratives. We will be learning how to link our thoughts to our writing/mark making.

As Musicians we can/we will...

be following the Charanga programme and exploring the Reflect, Rewind and Replay topic!

Sticky words for this half term:

Traditional, fiction, past,

In Religious Education...

We will be continuing to learn about what are different celebrations and why we celebrate these.

In PSHE...

We will be following the Jigsaw curriculum and continuing to learn about relationships.

In Art and Design we will...

Be exploring line and shape; working and experimenting with different materials through observational and collaborative pieces inspired by artists!
