

Dear Parents and Carers,
We hope you have all had a wonderful Half term break. Here is our curriculum map for our topic leading up to Easter.

Best wishes

Mrs Oliver and Mrs Swann

As Readers & Writers we will...

We will continue focus on a range of reading skills such as sequencing and retrieval. As our science topic has carried over we will also be exploring a range of information books surrounding habitats.

As Mathematicians we will be focusing on...

- Multiplication
- Division

As Scientists we will...

- Explore and compare differences between things that are living, dead and things that have never been alive.
- Identify that most living things live in a habitat to which they are suited.
 - Identify and describe a microhabitat.
 - Describe a food chain.

Big Question(s): Where would you rather live: England or Kenya?

Why would a dinosaur not make a good pet? (Science)

As geographers we will be learning about...
The seven continents of the world.
Comparing the climate and cultures of England and Kenya. Then considering where we would rather live and why.

As Athletes we will...

We will be drawing upon our prior knowledge from the Autumn term and will link a range of actions with coordination and control to perform a dance and participate in games.

As Musicians we will...

Be focusing on a Reggae Song for Children by Joanna Mangona called 'Zoo Time'. This unit of work is a unit where the children will be exposed to different songs!

Sticky words for this term:

climate culture equator landscape

adapt habitat microhabitat suitable

The children will learn and discover more sticky words throughout the half term.

In Religious Education we will...

We will be investigating what makes places sacred to believers. Including exploring what it means to be sacred and comparing sacred items from different religions.

Our British Value focus is...

Rule of Law. Children will learn what this means and will participate in class discussions.

In PSHE...

We will be focusing on 'Healthy me'. We will discuss what it means to be healthy including creating positive physical and mental habits.

As artists we will...

Create our own tile from air drying clay with an African design. We will learn slab and carving skills.

As Technicians we will...

Be learning what technology is and become inventors.
